

1995

SEASON

A TOAST TO
The Quirins

The work accomplished in The Ivoryton Playhouse by the Foundation and described in the "History of the Playhouse" was achieved under the supervision of Peg and Ed Quirin. Simply stated, without their commitment to this building and their willingness to make great sacrifices to further their dream of a "Theatre for all Seasons" you would not be here today.

Their devotion to The Ivoryton Playhouse Foundation, to the building and to each other has led this organization through difficult times to a point where a stable future can be seen. The Board of Trustees expresses its heartfelt gratitude, affection and appreciation to Peg and Ed for years of service - past, present and future.

THEATRE SEATS

Rehabilitation plans for the Playhouse include the installation of new theatre seats for your comfort.

The balcony has been, in the spring of 1992, renovated by raising the levels of seats for better sighting, by closing one of the original stairs, and by installing 52 new seats. There remains the need to install 54 additional new seats in the balcony plus 200 seats in the orchestra section.

A contribution of \$500 will purchase one seat, including the name of the donor on an arm of the seat.

Pick up a flier in the lobby and order your chair today.
